

Les mois
The months

1. What month is it? Can you find the French word on this page? What month comes before and after?

2. Match the French and the English words:

février	September
mars	December
mai	February
août	Mai
septembre	March
décembre	August

3. Weekly challenge:

Memorize the months of the year, then try to say them onwards or backwards as fast as you can. Play with someone in your family, ask them to time you and the fastest one wins!
