Learning Project - to be done throughout the week: The Environment

The project this week aims to provide opportunities for your child to learn more about the environment. Learning may focus on changes to different environments, the impact of humans on environments, climate change etc .

Beat the clock- Can you sort items into the correct recycling and waste bins? [Play](#)

Switch it off: Ask your child to take a look at all the electrical devices in their house. Are they all plugged in? Do they need to be plugged in? Can they create a poster to place around the house to help remind people to switch them off once they have finished?

Listen to a [song](#) about things we can do to help to save the planet.

Write and draw! Ask your child to choose one thing they could do to help the environment in school. Get them to make a poster to encourage people to do it! Think about the classroom and also the school.

World Environment day- This year it will be on Friday June 5th. On this day people what could they do? Lots of little things can make a big difference. What could they display at school?

from all over the world will do something positive to help our planet. Ask your child do to celebrate World Environment Day at school? Can they create a poster to
