Additional Learning Resources that families may want to engage with:

Oxford Owl for reading, spelling and maths:

- Time to read! Why not read one of the e-books from the book library. Log in to choose a book. You can read a wider range of books and select one for your age band or challenge yourself with one above. **Use the log in and password details sent via parent mail.** There is also extra spelling and grammar practice too!

Click: <https://www.oxfordowl.co.uk/>

- Select log in

- When the website opens, select "My class login"

Enter username and password and choose from options available to read an e-book

- Practise spellings! To access the spellings please click the link below and then follow these steps.

Click: <https://www.oxfordowl.co.uk/> and then click

- My Class Login.
- Read, Write Inc Spelling
- Extra Practice Zone
- Year Group
- Click on 'Activity' to open up a spelling rule. Practise one spelling rule each time.

Pobble 365 - for Creative writing:

- Why not escape from your daily routine and immerse yourself into an imaginary world! Use the fantastic pictures in the Pobble 365 link below to write your own story! Bring it to school to share with your class.

<http://www.pobble365.com/>

Mathematics:

- Click on the WRM link, go to the lesson for each day, watch the video with your child and then have a go at solving the problems.
- Continue to practise your number facts each day for 10-20 minutes [Daily Arithmetic Maths Frame](#)
- Practise Maths and access past SATs papers [Reasoning and Problem Solving](#)
- Solve a maths problem and submit your solution! <https://nrich.maths.org/>
-

Revision and learning interesting facts:

- Use BBC Bitesize to help with your homework, revision and learning. Find free videos, step-by-step guides, activities and quizzes by level and subject.

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn>

- Watch CBBCNewsround and discuss current affairs.

[CBBCNewsround](#)

- Learn a poem and perform it to an audience. Write your own poem!

[Poetry4kids](#)

- Solve a maths problem and submit your solution! <https://nrich.maths.org/>

The project this week aims to provide opportunities for your child to learn more about food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc.

- **Understanding Others and Appreciating Differences:**

[Lunch around the world.](#) Look at lunch around the world and investigate how differently people eat in other parts of the world. Find out what vegetarian food is. Vegan food? Kosher food? Halal food?

- **Reflect:**

Make a meal by combining a variety of ingredients using a range of cooking techniques. Measure and weigh ingredients appropriately to prepare and cook a range of savoury dishes.
