Life cycle of a Cricket

5 A line north sailed pretty bright through the night. The little cricket wanted to know, but not a sound. <i>Whizzed a whizz, The little cricket wanted to know, but not a sound.</i>	4 The cricket saw another cricket, she was also very quiet. He rubbed his wings together and more than one time. <i>Whizzed a whizz, The little cricket wanted to know, but not a sound.</i>	3 The cricket chirped the most beautiful sound that she had ever heard. <i>Whizzed a whizz, The little cricket wanted to know, but not a sound.</i>	2 The little cricket wanted to know, but not a sound. <i>Whizzed a whizz, The little cricket wanted to know, but not a sound.</i>
