Maths Meeting Time: What are the names of some 3D shapes? Can you find cylinder, sphere, cube, cuboid and cylinder shape items in your home? When you find each item say (This tissue roll has a cylinder shape. This ball has a sphere shape.) Look outside and identify the 3D shapes you can see. This activity to be followed throughout the week.

Life Cycle of a Chicken

A Weather Vane shows the direction of the wind.

Fine Motor Skills: Make play dough eggs and decorate your eggs or make a pattern on your eggs using different things from around your home. Such as: pasta, peas, beans and buttons.

Letter formation: Say the rhyme as you write the sound- Down Nobby and over the net, down the kangaroo's body, tail and leg. **nk** (Practise the sound of the day.)

Design and create mini farm

Choose either of these methods below: Use Lego or any other construction toy to build. Draw a picture of a farm. How many Lego did you use to build your farm? Describe the farm you made. Who live on your farm? What animal sounds do they make?
