

## HEADTEACHER'S MESSAGE

Dear parents/carers

Thank you to the very many of you that came to your child(ren)'s learning consultation meeting this week. We were able to explain again how important it is that your child(ren) is reading every day at home and completing their daily home learning practice. In many classes we had 100% attendance of parents at our meetings.

Reading is a vital life skill – if your child is not able to sit on their own or with you and read at least 90 words a minute (with understanding and curiosity) by Year 2 – they will struggle as the curriculum becomes more challenging through KS2 and beyond. How is your child doing? Not sure – then please ask your child's teacher what you can do to find out and help.

## AFFIRMATIONS
