

HEADTEACHER'S MESSAGE

Dear parents/Carers

We are really looking forward to working with authors Chitra Soundar and DD Everest this week. I will be a wonderful chance for children to find out more about them and how they create their wonderful stories.

To further develop time for reading in school we are introducing a change to the KS2 timetable from Monday 26th February. This will mean a set time each day for silent reading and for changing of books and reading with staff. Some governors visited school last week to talk to children about their reading habits and what stops them from reading more at home. We hope having more reading time in the school day will give children a further chance to develop a love of reading.

Year 1 Africa Project

Year 1 have been learning about Africa, they have used their imagination to create amazing art pieces or projects with their parents and carers. We are so proud of their hard work and dedication over the holidays.

Book Week Book Sale!
Monday 26th February
Tuesday 27th February

Buy a book and art is dedicated to Y1H and signed by our visiting authors. A signed book can be a permanent reminder of a special experience and can reinforce the message about the importance of reading.

Cash no cheques please, as this makes life a lot easier for us. If your child already owns one book by Chitra Soundar or DD Everest they can bring those in and get them signed!

£7.00 each

£6.00 each

KGPS

SUCCESS FOR ALL
KGPS Black Achievement Group meeting
Thursday 8th March at 9am - Main Hall

Pupils in our school have been researching Black History. Please join us for a special presentation by pupils on the contribution and sacrifice made by soldiers to the ZWW.

This presentation will be followed by a meeting of the KGPS Black Achievement Group. All of our school community are very welcome to attend.

Did you know... this year the school has been working closely with a group of parents in our community to look at ways of improving the achievement of black pupils?

We'd like to update you on... what we have learnt, what we have done so far and what we still need to learn from our community.

Please come along... join us in celebrating the special achievements of our pupils, and contributing your ideas to how we move forwards.

We look forward to seeing you very soon.

Ducklings at Nursery!

Nursery children have been joined by some special visitors this week. They arrived in small eggs, and children had to guess what was inside. On Wednesday, two ducklings hatched and we now have a third. Nursery has been learning to care for the ducklings, how to hold them carefully and what they like to eat and drink. The ducklings have even been for a swim!
