

HEADTEACHER'S MESSAGE

Dear parents/Carers,

You would have been so pleased to see your children listening attentively and asking thoughtful questions of the range of visitors we had in school on Friday. We were visited by a doctor, web engineers, a trainee lawyer, chiropractors, a theatre set designer, optometrists, hotel manager, a store managers and a mid-wife to name a few. Children were intrigued to learn about each person's career journey and the overwhelming idea that came from this being PERSEVERE, WORK HARD and be prepared to change direction. A great day for everyone.

Parents are reminded that they **MUST NOT** take photos of other people's children in our school grounds. This is against our safeguarding and personal privacy policy.

We permit photos to be taken when you attend your child's assembly only and then only for family use. We will pursue any reports of images being used otherwise and ultimately this could cause governors to decide to ban phones and camera devices on the premises. Please be considerate of others.

Thank you
Ms Wynne
