

# Year 3 Fantastic Writers!

- Hi children - I hope you're all well and enjoying the sunshine. I know you are reading because we love reading! Now here are a few writing ideas so that you keep practising your English skills. I look forward to seeing your work when we get back. **Mr Marston**
- You are going to write your own innovated story.
- Once you have finished your story you could try acting it out or drawing a cartoon based on it.

# What you need to do

1. Read the story attached and study the story grid.
2. Complete the story grid and make your own changes.
3. Write your story. Remember to do at least one section per day.

- Write in paragraphs- perhaps write one each day to make sure it is quality writing.
- Re-read your work to check it makes sense.
- Think about sentence openers-the first few words in a sentence. Avoid using 'Then', 'Next' or 'After that...' all the time and instead you could use 'All of a sudden...' 'In the twinkling of an eye everything froze', 'Fortunately...', 'In the end...'
- Use interesting vocabulary to describe and use noun phrases eg. soft, sweet....  
vivacious, colourful flowers
- Use " " when someone speaks and miss a line when someone new speaks.
