

Les animauxThe animals

1. Match the French and the English words for animals:

le canard

the sheep

le mouton

the cow

le cochon

the horse

le cheval

the pig

la vache

the duck

2. Draw a poster with different places where the animals can live: on a farm, in the house, at the zoo, in the woods. Make it silly, by drawing these animals where they would not normally live (for example, draw a horse inside an apartment.)

3. **Weekly challenge:** Look out of the window or go into the garden and see how many birds you can spot in 5 minutes. Try to count them in French:

1 un oiseau

2 deux oiseaux

3 trois oiseaux

4 quatre oiseaux
